# The Perfect Fit

**VS**

**The not-so  
perfect fit...**

**Temples aren't long enough  
Frame size is too small**

**Temples are perfect  
Eye size matches the face**

Give your patients the  
**Perfect Fit**

**The Alexander Collection:  
Designed for Challenge Fits**

Our Alexander Collection features frames that are both stylish and comfortable, with a focus on larger eye sizes. From classic and elegant designs to more trendy and bold styles, there is something for everyone. Each frame is made with the highest quality materials and construction, ensuring a comfortable and secure fit for your patients.
