

# last chance, LOCK IN OUR LEGACY PRICING

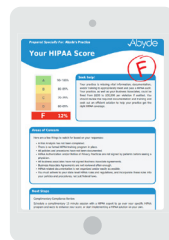

You've seen it from Peloton, Netflix and probably even your local nail salon or barber – we prefer to be the leader, but this time we're following suit. Beginning July 1st, Abyde will be implementing a 15% price increase to continue providing cutting-edge compliance solutions and more accurately reflect the value our customers gain from our services. You can expect to see future product enhancements, such as revamping HIPAA, more educational resources, and partner-related content.

Hundreds of IDOC members & thousands of providers across the country already use our revolutionary solution for a simplified HIPAA program - and with the **launch of Abyde for OSHA just months away**, achieving total compliance is soon to be easy peasy.
